AGRITOURISM

LIABILITY SIGNS

Under Colorado Law (HB 14-1280) agritourism operations that display a properly worded liability warning sign and/or use a liability waiver form can reduce their potential liability for injuries that occur on their premises.

Order your liability signs today from the Colorado Agritourism Association. They measure 20.75" high by 20" wide and are printed in black 1" high letters on a white background (complies with HB 14-1280) on .04-gauge aluminum. The corners are rounded and four corner holes are pre-drilled for easy installation.
